## BROUSSARD SEEKS MORE "DRY" FUNDS

Louisiana Senator Declares \$9,000,000 Inadequate for Law Enforcement.

ASKS FOR \$100,000,000

Accuses Anti-Saloon Officials of Not Wishing to See Country Made Into Sahara.

Ridiculing the appropriation of \$9,000,000 carried in the Treasury bill as entirely insufficient for the enforcement of the Volstead prohibition act, Senator Broussard of Louisiana, a strong opponent of prohibition, challenged the "drys" in and out of Congress to support an appropriation of \$100,000,000 for enforcing the law. He charged the Anti-Saloon League officials were willing to have half-way measures adopted so as to keep their own jobs, intimating that real prohibition would not suit them. Senator Broussard said the \$9,000,000 appropriation would not be enough to enforce the law among "those who forced the eighteenth amendment and the Volstead law upon us."

**Quotes "Dry" Officials.**  
The Louisiana senator read reports of what had been said by Anti-Saloon League officials at a recent law-enforcement meeting in New Orleans, and charged that by their remarks these officials had shown themselves more in contempt of the law and courts than liberal-minded citizens. He quoted from speeches made by Dr. Perley A. Baker, general superintendent of the league, and Wayne B. Wheeler, general counsel. Dr. Baker, he said, declared that 20 percent of the federal judges were drunkards and scoundrels and should be impeached or in the penitentiary. Senator Broussard quoted Mr. Wheeler as saying that the Anti-Saloon League controlled Congress and could put through such legislation as the league wanted. The senator challenged the league to bring in a bill appropriating for prohibition enforcement \$100,000,000, the amount which, he said, would be needed to enforce it in any adequate manner. Immediately after Senator Broussard concluded his speech Mr. Wheeler put out a statement declaring he had been incorrectly quoted.

### TRAVELERS AID DRIVE ON.

Society Seeks to Inform All of Work Being Done.

The mission of the Travelers' Aid Society is to be made known to every man, woman and child in the District through the religious, business, fraternal and brotherhood organizations of this city, if plans of the local chapter of that organization do not miscarry. Letters outlining what the Travelers' Aid Society is doing at Union station have been sent to the leaders of the above-named bodies. They have been requested to read the letters to those with whom they come in touch officially, and thus acquaint the public with the character of the aid society. The society hopes in this way to raise sufficient funds to carry on its work for another year.

### Santa's Bells

The children hear the ringing of Santa's string of bells, as he comes blithely swinging across the moors and fells. They hear his reindeer loping beneath the wintry sky, they listen, and they're hoping he will not pass them by. I listen, too, but only discordant things I hear; the night is dark and lonely, the wind is bleak and drear. The snow is on the gables, the wind beats at the door, and I am old and fables appeal to me no more. I have a golden chalice, a diamond-studded fan; I'm living in a palace, I have a rich sedan; I'm decked in purple raiment, I have a costly lyre, I'm fixed to make the payment for all I may desire; my aunts, in priceless sables, go sloshing through the mart, but snow is on the gables, and snow is on my heart. I listen for the ringing that only children hear; I listen for the singing of Santa to his deer. And I would give my plunder, my lyre and dachshund, too, if I could hear and wonder, as little children do. There are no elves or witches or fairies by the streams; but all an old man's riches aren't worth a bairn's dreams.
